HOSPITALITY TECHNOLOGY & OPERATIONS | IMPLEMENTATION, BUSINESS SYSTEMS & AI WORKFLOWS

Orlando, Florida | Remote, U.S. | avergara13@me.com | 407-432-6959 | [Portfolio](#) | [LinkedIn](#)

PROFILE

Bilingual hospitality operations leader and systems builder with verified Executive Chef to General Manager progression. Translates frontline operating pressure into clear requirements, repeatable workflows, practical tools, and confident adoption - spanning business-process mapping, operational reporting, implementation support, and human-controlled AI-assisted workflow design. Builds from real operating friction, with working application and systems proof and a clear boundary between employment experience and personal project evidence.

CORE STRENGTHS

Operations leadership & training | business-process mapping | requirements gathering | implementation & adoption support | workflow and exception design | operational reporting (inventory, food cost, vendor pricing, payroll, P&L awareness) | human-in-the-loop AI workflow design | LLM API integration | documentation & handoffs | vendor & purchasing coordination | bilingual English/Spanish

SELECTED PRODUCT AND SYSTEMS WORK

- Hobbyst Resale - Active family resale venture: sourcing, inventory, pricing, listings, sales, shipping, marketplace workflows, KPI tracking, and automation.
- Resale Scanner Pro - Working personal AI-assisted application used in the family resale workflow: item capture, AI-assisted identification, market research, BUY / MAYBE / PASS decision support, listing preparation, publishing, and operating records.
- Loft OS - Governed autonomous AI workflows (public-safe case study): scoped tasks, role-separated agents, human approval gates, evidence-backed review, and deterministic closeout.
- Sous Chef - Public AI-assisted culinary workspace: authenticated recipe workflows, pantry and inventory signals, cookbooks, and cooking-session history.

SELECTED PROFESSIONAL EXPERIENCE

Cafe Linger - Executive Chef to General Manager | Orlando, FL | May 2018-Dec 2022

- Became General Manager in Jan 2019 as administrative and financial responsibilities expanded beyond culinary leadership.
- Led production, purchasing, inventory, vendors, scheduling, training, POS reporting, payroll-data review, QuickBooks workflows, P&L review, compliance, and customer experience.
- Continued paid closure administration and restaurant consulting through Jan 2024 after operations ended in Dec 2022.

Farm-Haus / Farm & Haus - Chef de Cuisine | Greater Orlando | Sep 2015-Apr 2018

- Helped establish the kitchen workflow, then led culinary execution, production, ordering, food quality, and team coordination while partnering with ownership on operating consistency and growth support.

Southern Swank Kitchen - Head Chef | Davie, FL | Jul 2013-May 2014

- Built opening-stage menu and recipe systems; hired, trained, and scheduled approximately 12 employees for a roughly 200-seat venue.

Earlier Culinary Experience & Leadership | Florida and Massachusetts

- Progressed from line and pastry work into Sous Chef and Head Chef responsibilities across high-volume restaurants, openings, and hotel operations.

EDUCATION

- Florida International University - B.S., Hospitality Management; Minor, Beverage Management
- The Culinary Institute of America - A.S., Culinary Arts; May 2007-Apr 2010
- Valencia Community College - A.A., General Studies

TOOLS

Notion | Excel & spreadsheets | Git and GitHub | Railway | Supabase integration | Postgres/SQL exposure | React | TypeScript | Node/Express | Gemini | Claude API | n8n-style automation
